

Career Connections

Gracelyn Troxell

Career Connection guides students to discover their pathway through four essential units:

- **My Skills** - Students learn about themselves and practice being productive, promotable employees as they link their personal interests, skills, and goals to careers.
- **My Life** - Students learn to manage interconnected roles in careers, families, and communities by exploring choices and skills that help balance these roles.
- **My Career** - Students gain a better understanding of work and learn how to find and land a job.
- **My Path** - Students identify steps they can take to reach career and lifestyle goals.
